Our Vision

Building a stronger Medford starts with open conversations about the issues impacting our communities.

Our Model

We are a volunteer organization that arranges small discussion circles guided by trained facilitators. We also coordinate larger reflective gatherings that complement these discussions.

Get Involved

Participate In Small Conversation Circles

The small conversation circles meet three times throughout the series outside of the opening and closing events. **Pre-registration is required.**

Join us for the Opening and Closing Events

Our opening and closing events are designed to engage everyone and are ideal for those who are not able to commit to the small circle conversations. **Pre-registration is required.**

Volunteer

We're looking for volunteers at all levels of commitment, including day-of support, circle facilitation, or committee membership.

Every voice enriches the conversation.

We hope you'll add yours.
